

GORDANO CIVIC SOCIETY

The society is hoping to have a day trip to Mells and Frome in Somerset on **Saturday 20th May 2017** by coach.

Mells has lovely architecture, ancient streets, thatched cottages and unusually a large number of listed buildings. Lutyens, Gill and artists and craftsmen including Munnings and William Nicholson are all represented here and King Charles 1 visited in 1644. We shall have a guided tour of the village followed either by a lunch at the community cafe (not included in the cost) or bring a picnic. We shall then be bused to Frome for a further guided walk around this interesting market town. We hope to leave at 9 a.m. returning to Portishead about 6 p.m. (depending on traffic)

If 20 people or more wish to attend, the charge will be £25, if it's 15 or less, the cost will have to be £33. Coaches are not cheap.

If you would like to go on this trip please complete the form below with names of those attending and give to Sandy Tebbutt, Catherine Dixon or Christine Simpson with preferably a cheque or cash for £10 as a non-returnable deposit.

Looking forward to seeing you in Mells and Frome.
